I love you Uncle Bucky and I always will. We shared the same birthday, and every year no matter how, you would make sure you told me happy birthday. I remember being a little girl and walking down airport road with Aunt Carol and I was holding your hand, and telling her you were MY boyfriend! (I was 6 years old). I hope you rest easy Uncle Buck. I will always hold a piece of you in my heart.

I miss you so much dad, it still doesn't seem real. I've never been in so much pain before. I was just telling everybody how you got stuck between the wall and chair and when you finally got it out you last 6 pieces of hair. Its killing me not being able to talk to you daddy, th oh s is going to be a very long and bumpy road. I love you so much. Bonz
