Our thoughts and prayers are with you!! Such a tragedy to lose such a young one with so much potential!! May God bless.& sustain you & grant you with peace,courage,love,
hope ,strength & a strong faith!!
We can never understand the loss of our young loved ones,but God is in control. Matthew 10:30 says that every hair on our heads are numbered! Ecclesiastes 3 says that there is a time and a place and a reason and a season for everything and God is in control!!
God bless,comfort & cherish you with all your precious memories to hold near & dear to your hearts!!
Sorry that we didn't make it to the services, but I just brought Howard home from the hospital. Sending love and hugs to my dear cousin 's!!

Joy, Although we never met, you were a "sister" to my son, Nate. From one mother to another, I know the pain you are feeling. No pain is greater than a mothers loss of a child. My heart goes out to you and your family. Your in my thoughts and let Jadons memory give you the strength you will need. May God comfort you and may god bless Jadon as he soars high above.

So many fond memories of you that I couldn't find the space. But fondest is the many times you shared your latest art with me or we Facetimed and talked about life and the future. My world will forever be a little bit dimmer without you but you can rest assured that Aidan and Ang will be forever a part of our family. Love you FEFANMW
