“ Sue, John, and Brian,
I am sorry to read about the passing of your mom. She and I had many interesting conversations. I first met her when coaching Sue in girl's basketball and teaching Brian in fourth grade. She had a gentle manner, a good heart and was very bright. You are all in my thoughts at this time.

“ Gerrie had the kindest heart for a stray cat or dog. She would feed them, and pay a shelter to take them in. She supported animal shelters. I am grateful to have been her friend. Bobbie Blanchard
