“ *Mark and family,*

*I am sorry to hear about your loss. Your father was always kind and thoughtful. But to be frank, I remember he was a kind but scary authoritative figure on the playground at St. Agnes. Kept us in line for sure. I am sure he had me by the scruff of the neck to be delivered to the principal more than once.... not that I didn't deserve it. I haven't seen him for years except on a few occasions as a young adult. On those occasions, he was there with a friendly smile and a good word. . My thoughts are with you. C. R. Wolfe*

“ *My father, Joe Potter, worked at Masonite in Wysox right from the early days. He spoke well of Del several times to me over the years even after he retired, always appreciating the fact that Del treated him, "just a man on the manufacturing floor", with respect and friendship. Sincere sympathy to his family.*
