“ Our sincere condolences to Aunt Becky's family. I am going to miss her terribly but am so grateful I had her as long as I did, she was like a surrogate Mom to me and my husband and family for so many years(my Mom loved her too). She knew me to the point I wouldn't even have to tell her what I was thinking. She was always one of the kindest strongest women in our family that I admired and loved immensely and was an example to me often as what family is and should be. Would call me often even recently before I could call her. A beautiful shining example of the matriarch of the family and will always be my guardian angel. So many will miss her kindness and love, she always thought of others first as any of the family will attest. Ask them, they'll agree!! Our heavenly father and Jesus received another angel. Much love to her family, Donna and Dan Curry(Francis' daughter)

“ *My condolences from Carol Irene Hochberg Snyder, Bob and Peggy's daughter. Aunt Becky was always so kind and warm. I've heard that my dad used to pick on her mercilessly when they were growing up. She no doubt gained some serious toughness by being in such a big family! She will be missed. Prayers for the family. ❤️*
