“ *My husband and I would like to express our condolences to the family of Alice Foster.*

She was one of a kind, funny, fun, generous, with a great outlook and attitude, and many friends and family that loved her. She and I had bets going on which of our firstborn sons would come first. EJ won the toss for Alice. I have nothing but great memories of her, parties, the pond, girls' night out, darts, and laughing ourselves silly through the years.

I think a service and gathering at the Pond is perfect and Alice would love that. I have no doubt that she will be there in spirit watching over the event.

God Speed, Alice. Love and Prayers for her family.
