“ Deneen, Kurt, and family so sorry to see the passing of your mother. I fondly remember working with her at Bradford County Day Care on Mulberry St. She always had a smile for everyone and so enjoyed children of any age. She is in a better place and has been reunited with those who have gone on before her. It is those of us who remain here on this earth who suffer the most in our grief. Our memories of our loved ones who have passed is what get us through these times. Share your memories, your momma was a great woman.
