“ Sorry to hear about Amy. She was a sweet, kind person. I actually got to know her when I started dating her ex boyfriend which is Harley's dad (David Shores)...so she would bring Harley over to us for weekend visits. She always treated me nice. David and I attended her marriage to the Swackhammer man. I actually was just thinking about Amy a few weeks ago and wondered what and where she was now..... RIP Amy.....you will be missed by many Sorry I couldn't make it to the funeral, but I did hear it was a big attendance....so many knew her and cared about her
