“ My heart goes out to Angela's family and especially her daughters who I was privileged to have in my classroom at Wysox. May God give them strength throughout this time. She will live in their memories and hearts forever. She was such a giving person and always had a smile when she saw me.

“ I taught Angie in 4th grade at the Wysox Elementary School. It was my first year teaching. I can still name every student in that class. I have fond memories of Angie and her classmates. I am saddened by her passing at such a young age. Rest In Peace Angie. You will not be forgotten. My thoughts are with her family.
