“ Dear Mrs. Bustin, Peggy, Marylou, Mike, and Nancy and family,

I know this is very late, but I just found out we loss Ann. I'm so sorry to hear this news. She was a good friend though out school. After school we all seem to moved away and time took over. Lots of good memories as a child and our Dad's being farmers and then high school.

May all the memories help you all remember the good times. God bless you all.

Much love,

“ Dear Alice, Peggy, MaryLou, Mike and Nancy,
I am so saddened by the news of Ann's passing. I know she is in a better place but that does not make her loss any easier. I had not seen her in many years and I still envision her as that young vivacious beauty in high school. I feel fortunate to have known Ann and to have been included in various early Bustin family activities. My favorite being those family drives to Towanda. All the kids singing along as Alice yodeled. Wonderful memories that I continue to cherish.

My thoughts and prayers are with all of you and Ann's immediate family during this difficult time.
