

Anna L. Fenton

August 12, 1970 - October 6, 2024

Anna L Fenton passed away unexpectedly in her home On October 6th 2024. She was born to Harrison Fenton Jr and Janet Fenton on August 12th, 1970. A devoted mother of three children and loving grandmother of seven, Anna's childhood was spent up on Mercur Hill with her 4 siblings until her teens landed her in Ithaca NY. She attended college after high school completing a secretarial degree. Anna lived in Bradenton Florida for 13 years where she mostly raised her children. She decided after moving to Florida, her secretarial work wasn't her true path as she found love working in fast food restaurant Burger King. There, Anna earned the nickname "The Boss Lady" as she became general store manager of multiple stores. Anna was a hard worker and a leader. She loved to work and continued until she couldn't continue anymore due to medical issues with her spine. No longer able to work, she relocated to Towanda Pa to be closer to family. Her family and friends meant the world to her, having them close was everything she wanted. Super proud to be called Daughter, Mommy, Grandma and Aunt Anna. Her favorite things, Mickey Mouse (of course), bright colors, beaches, sun tanning, energy drinks, her neighbors and friends from Wyalusing Meadows and Jesus. Her faith kept her resilient, and courageous.

She was preceded in death by her Paternal Grandmother Anna Belle Fenton, Fraternal Grandmother Anna Fuller. Her Father Harrison Frank Fenton Jr passed in 2001, her mother/best friend Janet M Fenton passed April of 2022. She struggled very hard losing her parents.

Her surviving siblings are, James (Jimmy) Hardesty , Debra (Deb) Bailey, Harrison Fenton III, and Dennis (Denny) Fenton. Her surviving life partner is Brian Vanderpool, whom she loved dearly.

Her surviving children are Jeffery Fenton, Johnathan Card, and Shawannah Card.

Her Surviving grandchildren Bryannah Fenton, Bryton Vanderpool, Emmah Westbrook. Kihya Mosier, Karla Moiser Trevor Mosier, Johnathan Mosier. Being a mother and grandmother was what she would say, her "Greatest Accomplishment."

The family is holding services on Sat November 2nd 2024 at 12pm at the Wyalusing park for a balloon release and honoring, followed by a wake at Wyalusing Meadows. It is a dish to pass. Please come and honor her with funny stories and everlasting memories. Attire will be white or bright clothing. "Until we see you again mommy, may grandma keep you warm".

Memories and condolences may be expressed by visiting www.bowenfuneralhomes.com.
