“ To the children, grandchildren and great grandchildren, I knew your mother very well when we grew up in Towanda, we spent many nights listening to songs by Gene Pitney and many others, we also had sleepovers at her house. Her mother Jerry was my mother’s best friend and they worked at Lafy’s Restaurant together, Jerry was also a godmother to two of my siblings. I have such fond memories of our younger years, she was a wonderful person and friend. RIP Annie and thoughts and prayers to your family! Dorothy Shay Sauro

“ I’m so sorry to hear about Annie. I will miss her spunk and sass. I enjoyed taking care of her and having chats with her. She loved her family so very much and loved to tell me about all of you. I am relieved that she is no longer sick, but I will miss catching up with her.

“ Our thoughts & prayers are with you. May God bless & sustain you & grant to you peace, love, hope, grace, courage, serenity & a strong faith. One "Glorious Day" in God's timing we shall all meet on that "Golden Shore". What a "Reunion" it had to have been when Annie reunited with her Mom & Dad & Kenny & other loved one's gone before her!! Her spirit will forever remain with her loved one's in every bright, shining star & in every beautiful, colorful rainbow & in the clouds & the sun & the moon. & in all that you say & do. Matthew 10:30 says that every hair on our heads are numbered "& Ecclesiastes 3 says that there is a time & a place & a reason & a season for everything under the Heavens. We can be sure that our names are written in God's book & in His timing. Just look up & talk to her as she is your forever "Guardian Angel" watching over you!! Annie will certainly be missed by all but we know that we shall certainly meet again!! She certainly is in a better place as none of us would wish to see her suffer anymore. I always loved Annie like a sister & we had a close bond that will forever be!! Her last words to me were hugs & we told each other that we loved one another & she said don't ya ever forget it!! Forever it will be & I will always love & respect her even in Heaven!!!

God bless, comfort & cherish you with all your precious memories to hold near & dear to your hearts!!! Love you all very much!! God Bless!!

“ Annie was a spitfire. I enjoyed the short time I knew her. There was always a come back, punchline, or a bit of sass. :-) She cared very deeply for her family and was never short on stories with a huge smile as she was telling it. I'm so sorry for your loss.
