“ So sorry for your loss Anne and my friends used to play dominoes together a few years ago. We played at each other's houses for about 3 years. I used to get apples from the tree out back. They were the best pie apples. I didn't know she was sick, but we're all getting into that era. Time marches on for us. Please know she will be surely missed. May she rest in Peace. I know you have very good memories to help you thru this time of sorrow.
