“ So very sorry for your loss. Too young, too soon. I only knew Tony through his friends, Eliot & Kurt. But I knew when I would see them, I would more than likely see Tony & looked forward to it because he was always so much fun to be with.

“ *I only knew Tony very briefly, when I temporarily moved back to Binghamton after college many years ago. He was one of the most joyful and friendliest people I met during that time. I know he was a dear friend to many people. I think of him fondly.*
