“ My love and prayers are with you all tomorrow. Barb was such gentle spirit and loved by so many. She shared her talents and love in everything she did. I have special memories of our daily chats twice a day as she drove my “special student “ before and after school. She was always such a cherished family friend, and I am sorry to miss the celebration of her life. Again— my love to you all.

“ My condolences to both the Moon and Rosengrant families. I grew up with Barb, Tom and Bernard. Barb was a stabilizing factor when the family lost their mother and their father was working in Johnson City, New York. It was a difficult time for all concerned. Also, the work of the Rosengrant family in the Towanda United Methodist Church is noted and deeply appreciated as I was also a member there with them. The pleasant memories will be treasured always! God Bless.

“ So sorry to read of Barb’s passing. She was one of the most gentle, kind souls we knew. So happy to have known her. Our thoughts and prayers are with you and the family, Stew. Our favorite memory is when you put the new license plate “BARB-50” on her car when she turned 50 and it took a while for her to notice it! Hold tight to your good memories of her and take care. Condolences to you, Duane & Janet Lewis
