“ I am so sorry of Beas' passing. She has been one of my best friend since we were 11 years old. On Friday leaving parochial school she would spend the weekend at our house or I would go home with her and spend the weekend at her house Then come Monday off to school we would go. She loved my children and they loved her their (Aunt Bea). So much more I think of when I think of Bea I do say she was a best friend for 70 years. RIP BEA I miss you already.

“ Bea will always be remembered as the community mother. Her doors and heart were open to any and all she came in contact with. She loved, she listened and she never judged... my best memories are being at her house playing cards at the table, talking and laughing.

“ I have many great memories of Bea when she was my neighbor in North Rome, her children and mine were the best of friends. We would get together for coffee and she was part of our bunco group. Didn't see her very often when she moved away but thought of her often. She was a good friend and a joy to be around. My condolences to the family. Rest in peace Bea. Lois Carrington
