“ Berneata was "Mom" to me. She was a gracious, kind and gentle person who loved and adored her children and grandchildren. One thing I loved was her cooking. She was an awesome cook and her pies were heavenly. She also had a great sense of humor but could also be firm when she had to. I looked to her for guidance as she was a servant of the Lord and she helped me along the way. I will always be grateful to have been a part of her life and to me she will always be "Mom". To all of the Davidson family I have you in my prayers while you honor your mom's life and beyond. In Love,
Margo A. Davidson
