“ To all of Bernice's family- you are all in my thoughts and prayers during this difficult time. Keep your special memories of her close to your hearts and she will forever live on. I spent a few years helping Bernice out with things around her house, and most importantly, just talking to her! She loved to talk. Loved to talk about her children, when you all were just kids and also as the wonderful adults that you all became. She was so proud of all of her children, that was clear! And she will always be proud! She will be missed by all that were lucky enough to have known her. She had a big heart! Again, I am so sorry for your guys' loss!
