“ Aunt Beck gave so much of herself to so many of us, her love was felt and will be greatly missed, I'll miss seeing videos she'd make and share of herself and her grandchildren she definitely inspired me to be a creative and fun grandmother, she was a great example of a Mother, Grandmother, Sister, Aunt and friend for us all, my heart goes out to Uncle Joe, Michael, Joleen, all of her grandchildren and all of those closest to her, so blessed to have called her Aunt!
