“ *My sympathy to all of the family. I just know your names but not your faces except Donna who I believe played softball with my daughter. I knew who your parents were but really got to know them through the Silver Sneaker program at the YMCA. I found them to both be kind and nice people. I'm glad I got to know them and call them friends. Your mother's favorite place at the Y was front row left near the fan. She always had time to visit a bit. I enjoyed her friendship. Again my sympathy. Mothers are very special people.*
