“ Mom, The day I have had nightmares about has sadly come true. Nobody knows the pain of loosing a parent till it happens. Like most kids with their parents, we have had days that we might not be happy with one another, but I have never stopped loving you. It will not be the same with you gone. Everywhere we went, you went with us. Now you will go with us in spirit and will be our guardian angel. The bond between mother and son can never be broken, even in death. Words cannot describe how much you will be missed. I just have to keep reminding myself, I cannot be selfish and wish you were still here with all the pain and suffering you were in. Mom's favorite song was "Spanish Eye's". There is a verse in that song, "this is just adios and not goodbye". Till we meet again on the other side mom, FLY HIGH and be with all of your beloved animals that previously passed. You will be missed by many.
We love you,
Your son & daughter-in-law,
Gary & Denise Lopreste
