“ Bonnie was such a wonderful person. I only got to know her the last 10 years or so, but any time she stopped by my office we'd catch up. She was kind, caring, and funny. I can't believe I won't see her again, looking like a movie star, in her big dark sunglasses she wore when she had to go outside. Bonnie always put a smile on our faces and she's already missed. Thanks for all the good times and good conversations Bonnie.

“ So sorry to read Bonnie's obituary in the paper today. Seems like yesterday I was at the cemetary when I ran into her coming out of the church. Bonnie was a good girl - quite a talker and witty. She will be missed. God knows she is in a better place and most likely in company with Ginger.
