“ My name is Joy (Alliger) Csanadi. I met Bonnie when we started third grade at McDuffee Street School. We were pretty much inseparable from then until she moved to Towanda at the start of junior high school. Our time together waxed and waned over the rest of our lives because of time and distance and all the things that happen over the years. Our life long bond was never broken. We could always pick up right where we left off!  
We laughed together many a time over the fact that my mother had 6 children and life in my house (where Bonnie always loved to be) was all chaos all the time. She could not conceive of the idea of having so many kids and living like that all the time!!!  
Little did she ever dream...  
Bonnie was so bright and funny and kind and wise beyond her years. With all of that she had a bad habit of making choices that caused her unnecessary grief. She never tried to blame anything on anyone else. She always stood up, took it in stride and fought her way back from adversity.  
She was as true a friend as anyone could ever hope to have. May she Rest In Peace eternally. Goodbye dear friend.
