“ Dear Vicki and family - our heartfelt sympathy goes out to all of you. Brad and our families spent our childhood and teenage years spending time at our family cottage swimming, skiing on the river, and playing softball with our cousins - we will always have fond memories of those years. Brad was a kind person and very brave thru his illness, being optimistic and talking about the future. I'm so happy that I had the chance to see him and talk to him over the past year. May God comfort you thru this difficult time. Our love - Sally Swetland Pepper and Jim Pepper
