“ To the family of Brian Bartholomew, we extend our deepest condolences with the passing of Brian. Recalling back many years ago, Brian was one of the little guys riding on the same school bus that I was on. Knowing of the Bartholomew children who lived near us in Franklindale, I was one of the high schoolers who was in the protective mold of the younger ones, and Brian was one of them. May God give each of you His peace and comfort at this time. May God Bless! Paul Fitch and Family

“ I grew up in Frankindale and played baseball and football in the front yard with Brian on many occasions. We rode the same school bus and were in the same grade. He was a great guy and I have many memories of our childhood together. Prayers for all his family members at this difficult time. Tonia Arthur Holmes.
