“ My dad was a hard working man that worked hard all of his life to take care of my mom, brother, sisters, and me. I will always have good memories of tractor pulls, cutting firewood, hunting, and going to auctions with my dad. I am so thankful for all the years that Keisha and I had living in a home right beside my parents home. I had the best loving and caring parents that anyone in this world would be lucky to have. I will always love and thank of my dad and mom everyday for the rest of life. All of my love always, Brian

“ Dear Dad "Papa Smurf", Oh how we miss you so! Many tears have shed! Many stories shared,so many wonderful memories! Tractor pulls, auctions, fairs,going to see fireworks,growing hot peppers just for me because you knew I liked them and saving cucumbers out for me because they were my favorite! It was always special to hear you knock on our door and you would hand us a homemade recipe of your famous stew or pot roast from the deer venison Brian would get from hunting season! You were a good cook! What I am most thankful for are the following: 1.Being accepted into the Lent family 2.Being Blessed with having your wonderful, loving Handsome,patient,caring,respectful,kindhearted,understanding,reliable and honest son Mr.Brian Lent as my husband 3.Being able to spend twenty years with a father in law and mother in law who accepted me as I am and my imperfections and loved me means everything to me,Thank you so very much for everything,I am forever grateful! I promise to take care of your son Brian the very best I can! Your foreve. in our thoughts and prayers!
God Bless You Always! Rest in Peace! Send all our love to our loved ones in heaven!
Love Always,Keisha"Baby Smurfie"
