“ Let me say how sorry Dodie and I were when we learned of Bryce's passing. He was such a great guy.

I thank him for the years we worked together in Painted Post. Always with a smile. Always ready to help.

I will have another look at the postcard that he sent when he and Donny Smith were "training" in Tennessee. It was a picture of the two of them in front of Graceland. They both got a great kick out of it and it gave me a chuckle too. Neither one of them would confess as to who thought of the little joke. But I always suspected it was Bryce.

We'll all miss that mischievous sense of humor.

“ I had the fortune to work with Bryce in the early 90's at DR in the PP ... I was a co-op just learning my future craft as a mfg. engineering ... always appreciated the guidance and interaction I received from Bryce and others ... as a valley area native that was always special for me.

RIP my old friend

Deepest sympathies and condolences to his entire family.

“ I would like to extend my sincere condolences to your family during this time. Bryce was one of the best people I've had the honor of working with over the years. The entire time I was at Dresser-Rand, Bryce was helpful, friendly, sharing of his vast knowledge of all things manufacturing and just one of the best people I've ever been around in my work life or life in general. Such a great teacher, colleague and friend to have.

He will certainly be missed by many and he was thought fondly of by everyone he touched.

Rest in peace Bryce.

Maggie,

Theresa and I were shocked to hear of Bryce's passing. The memories will always be with us of all the things we did together. From working on his truck to way back growing up and spending time with his mom. We hope you and your family will treasure the time spent with him. He will certainly be missed.

My Dear Maggie and Family, I was so sorry when I read yesterdays Morning Times today that Our Dear Lord had taken Bryce home to be with him. I really didn't get to know him very much. But I have known you for many, many years way back at St.James School is when we first met. With knowing you like that I wanted to pay my respect to you and your loving family. I pray to Jesus that He will hold each one of you close as you grieve the loss of a wonderful husband, and father. My love to each one of you at this time, and always. Kathleen Clarke
