“ It was 39 years ago this July that my son and I accompanied your family to Lake Sasagenequa, PQ (pardon the spelling) at Carl's invitation for a fly-in fishing trip. It is an experience I will never forget, and although I have caught many pike since, I have never landed a lunker like Carl put in the boat that week. In the 25 years that Carl and I worked together at Sylvania, no co-worker was more respected than Carl.

“ *One of my fondest winter childhood memories includes Uncle Carl putting us on his lap and managing to balance on the jumper as we raced down the pond dam. It was quite a balancing act - like riding a unicycle on snow while carrying a basket of eggs! He will be missed, and my love, thoughts and prayers are with you all.*
