“ *I only knew her briefly through her work at C. O. S. Wireless. She was always very kind to me and my children when we'd stop in to visit. I always looked my head in her office and she always had fun stories to tell me. I'm sad that she's gone. Good people always go first.*

“ *Cathy always met me with a cheery greeting and had a sharp wit. She would bring in scrumptious goodies to share. She was a diligent worker trying to make ends meet by juggling jobs. Even though I was aware that she had health issues, it was still a shock to hear of her passing. I know she loved her mother dearly and will be missed.*
