

Charles Robert Kenyon

September 23, 1956 - May 24, 2025

With heavy hearts and endless love, we announce the passing of Charles Robert Kenyon; better known as, “Chuck.” A beloved father, grandfather, and friend, who left us on May 24th 2025 at the age of 68.

In his younger years, Chuck was an avid bodybuilder with a love for strength, discipline, and hard work—qualities he carried throughout his life.

Chuck had a lifelong affair with music; it pulsed through his veins. Whether he was strumming his guitar, banging on the drums, jamming his favorite songs from his extensive album collection at max volume or being lost in the crowd at a music festival; music wasn’t just a hobby-it was a part of his soul; the soundtrack of his life.

Chuck always had a faithful beagle by his side. Each one a loyal friend and companion through the years and chapters of his life. He was a story teller in the truest sense. With humor, mischief, and vivid detail he brought the past to life—sharing tales of good times, wild times, and everything in between. Whether you were hearing it for the first or tenth time, it always made you laugh.

His passion for automobiles was lifelong—
with a particular passion for NASCAR and drag racing. He appreciated the

beauty of horsepower and the thrill of speed. He was also a baseball fan. He built his own log cabin with his own two hands—a personal retreat and testament to his independence, creativity, and love of the outdoors. He was equally at home in the kitchen, where he was a fantastic chef. He loved food—cooking it, eating it, and sharing it with others. His meals were as memorable as his stories.

And he always carried a dream close to his heart: one day owning a boat and a living by the lake. A quiet aspiration that reflected his deep love for the water and the freedom it represented.

Chuck knew how to celebrate life. He loved a cold drink, a good party, good music, and great company. Fun followed him wherever he went and being around him meant you were in for a good time.

He leaves behind his daughters, Sarah Ackley and fiancé Bernie Barrett, Erin Roof and husband, Tyler, grandchildren, Ashlynd Taylor, Mirabella Ackley, Josie Ackley, Willow Roof, and River Roof, niece, Leanne Mitchell and husband J.R., nephew, Todd Chamberlain and wife Cheryl, countless friends, and an immeasurable legacy of love, laughter, and unforgettable memories. In addition to his parents, Chuck was predeceased by his sister and brother-in-law, Kaye and Richard Chamberlain. A celebration of his life where we will raise a glass in his honor will be announced at a later date. Memories and condolences may be expressed by visiting www.bowenfuneralhomes.com.

“ I met Chuck back in the early 70's, and we connected immediately. He brought a lot of joy into my life and we shared many memories as my cabin was near his Mom & Dad's home. I pray that his family & friends find comfort knowing that he is resting in the comfort of his maker, and reunited with Gladys & Dorrance..God Bless everyone who mourns.
