“ *I miss you so much. You were taken from us way to soon by such a nasty disease. I am so blessed to have known you and even better to have been able to call you Aunt. I am glad you are out of pain now and not suffering no more, but I wish you were still here with all of us. Thank you for all the great times you gave me and all the joy you brought to me. Fly high Aunt Spike. I miss you so much and love you more <3*
