“ *My name is Robert Culp. I was a neighbor of Sonny's who also had the pleasure of calling him my friend. Most fair weather days would find Sonny relaxing under the tree in his front yard, happily socializing with whomever happened to drop by. Usually his good friend and fellow neighbor Terry, or myself. Sonny helped me put my bathroom floor in my home, advised me how to switch my stove from gas to propane. He was always there for friendship and or advice, whichever was needed. He was easy to talk to, and always quick to share his thoughts on whatever I threw at him. I enjoyed my short time with my new friend, he was an all around good guy, and he will forever be thought of from time to time. Rest in Peace my friend, I miss ya Buddy,
