“ *I had the pleasure of working with Connie for many years at The Evening Times. She was so sweet and her work was flawless, both as a typist in the old building, and later on setting ads in the days of paste-up. You never had to put much effort into composing the ads ... just cut up the type in sections and glue it in place. Always fit perfectly! She was very kind and soft-spoken. Nancy (Blakeman) Arcesi*
