“ *Very sad news. Craig was a great guy. A lot of fun. We had some memorable times in HS. I wish I had known he was ill. I would have gone to see him. My condolences to family.*

“ I graduated from Northeast Bradford in 1968. Craig and I competed against each other in basketball during our high school years. It continued in the Towanda Community League until he moved to Florida. He was always a gentlemen on and off the court. Although he left this earth early, it sounds like he lived his life to the fullest. My home town of Warren Center welcomes him as his final resting place.
