“ Dear Mathew, I was so sorry to hear about your mom. I have 46 years of good memories of her. I was thinking about her and some of the really fun times and good laughs we had over those years. I'll never forget the time I tried to teach her to drive my lawn tractor, she laughed so hard as she cut crazy paths through the grass. She was always there when I needed someone to talk to. I'm sorry that it had been so long since I had talked to her. I will always be grateful for the times we had she was a good friend. Please if you have a memorial service for her, would you post it in the daily review I would like to attend. sincerely Brenda mosier
