“ Undoubtedly, Woody will be missed by many. I will forever cherish the times he'd stroll into the Times office and chat -- most of the time about local sports. Even if deadline was approaching, we'd converse, because the conversation would add that special sparkle to the rest of your day. If there is a Hall of Fame in haven, I'm sure Woody is in it - already!

“ Dear Tracy and Rachel, As you know I loved your dad very much. He was a very kind and thoughtful person. So many people forget older family members and your dad ,husband, never did. He spent many hours with my mom and dad and even when my dad was over to the Manor he took the time to go see him. He made so many of us smile and laugh, and for that I will always remember him with love and affection. Thank you so much for sharing him with all of us. My love to you both. Love Martha Schultz

“ Danny and I graduated together from AHS in 1972. He was one of the funniest guys I ever met. Thru our school years together we shared many laughs. His laugh was infectious and his actions at times a little crazy. But that was Danny. I extend to his entire family my condolences and want you all to know that while he may be gone Danny will never be forgotten. !!
