“ Girls, and your families, I am so saddened to hear of David's passing. It has been a long time since all of you were living in Odessa, but I have such fond memories of you growing up, and being up to Hazel's house with your dad. Seemed like he always had that winning smile on his face. He will be greatly missed. Kathy Cleveland

“ Dave,
I've known you for MANY years and I have to say, I can't remember a time that there wasn't a smile on your face. You always seemed to just be in a happy, jolly mood. I recall a time in my teen years, that you took the time to sit and talk, one on one, and treat me like an adult. That meant a lot to me at the time.
You raised 4 beautiful daughters practically by yourself. I know there were a lot of tough times during those years but you did a damned good job! Although I never got the pleasure to see you with your grand kids, I've heard some great things. You were the best Dave! Even though I haven't seen you in many years, I've never forgotten the great man you have been all these years!!
Rest in peace Buddy. Catch up on all the years you lost with your wife and always smile down on your beautiful family. For without you, they wouldn't be here!
