“ *Taylor and Nick,*

We are so sorry for your loss. Deb was a great person and always friendly whenever we saw her. She was a hard worker and a great cook; she made the best cutlets. She was so excited about seeing her grandson and I am sure she will always be looking over him. May your memories bring peace and comfort to both of you. Take care.

*Love,
Uncle Bobby and Aunt Patty*

“ We are deeply saddened to hear of Deb's passing. She was a delightful "back door neighbor" for years, who always shared her bountiful garden harvest with us. We loved going to the Wellsburg Diner for breakfast and a visit with her.

To Deb's family: No time on earth is long enough to spend with those we love, or to prepare our hearts for the last goodbye. May time and memories bring you peace. Please know you have our deepest sympathy.

*With love,
Mary and Mike Kranz*

“ My Dear Friend Debbie, we shared a lot of good times and years together. We had tears, we had cheers, we had laughter but most of all we had Love. The geographic distance kept us from seeing each other often, but we kept in touch. I will miss you dearly; God had other plans and needed you more. May you always watch over Taylor, Nick and Baby Asher ❤️ Rest Peacefully 🙏

“ I was so shocked and saddened to hear of Debbie's death. She was so looking forward to her move to Florida and the arrival of her grandson. We were planning to have dinner together before she left. You kids were her whole life.
