“ Jimmy and family, you are in my thoughts and prayers. Diane and I grew up living just a couple of houses away. There are so many memories of those days growing up and through high school. While trying to find classmates for our last high school reunion in 2011, I discovered Diane was living back in the valley. Since then we had the opportunity to get together several times and renew our friendship. I have many treasured memories of Diane and am thankful I was able to see her and talk with her once again. I will miss her. Rest in peace my friend.
