“ *To the Allis Family,
There aren't enough words to express the loss of Don. He was such an amazing man that put a smile on your face and made you laugh. Don has so many great memories being with him in the store. I will always remember the special moments we had after getting Neva ready for bed. We ate Oatmeal Raisin cookies, watched game shows, the RFD channel which he enjoyed, and talking about his younger days. Our hearts and prayers go out to the family.*

“ I was stunned and deeply saddened to learn of the loss of Don. We have been friends for over sixty years. At a recent lunch he shared how hard it was to lose Neva, (a high school classmate of mine). His tears flowed as he talked of her. To his family: please accept my caring sympathy and heartfelt condolences. Peace and blessings to you all.

“ I remember going to the Mill with my Dad and he would seek out CC (Claire), Then as I got older it was Raymond. Donald was in the service, then it was me seeking out Raymond. Next it was me asking for Donald.
I know of no other family business that was and is as dedicated to their customers. You will be surely missed my friend, Rest in Peace.

Shocking and overwhelming when you hear of a tragedy. I can hear his voice booming when he would see me at the mill. He always came in a little bit after me and never knew when I would be working. Always asked, "Well there you are!! What's new with you!" Always wanting to know if Rachel was selling Girl Scout cookies (He loved his cookies!!!) We assume people will be in our lives forever. He will be very very missed. Pull a person out of your life, there is a hole that can't be filled.
