“ Our families spent a great deal of time together when the kids were younger. Best memory was when they came to Keuka lake to visit us. Donnie had a few beers with Kenny and then dumped the canoe on the lake. Oops— forgot to leave his glasses on the dock!

“ We could fill this space with the wonderful memories we have of camping with Don at McCarty's Cripple Camp in Sugar Run. He was a special part of our camping family. His smile was contagious. His courageous battle with cancer proved he was a true warrior. He lived life to the fullest. We were so saddened by the new of his passing. His family and friends are in our prayers. He'll always hold a special place in our hearts. We loved him dearly. Deb and Jim Philippi

“ My buddy Don was a caring and thoughtful man that had great knowledge and wisdom. We spent a lot of great times camping and fishing, sitting around the campfires with our camping family and listening to good ole country songs. Whenever we had a project to work on, at camp or at home, he would always be there to help and make sure we did it the right way. He was the " thinker" on anything we were building to make sure it was done right . He would give a hand to anyone who needed help. We had some great times together over the years. He was a big part of our family. I'm going to miss you Buddy. I Love you Don, RIP my friend.
