“ Myrna -

I am so very sorry to hear of the loss of your mother, but gosh, what a long time you had with her--what a blessing! Although I didn't know your mother, I can see what a great person you are and that is a true testament to her and her care for you throughout your years. I lost my mother back in 2002, so I understand and sympathize with your thoughts and emotions to lose a person of such significance in your life. Her love will continue to grow in your heart for always. And I'm sure you can assuredly say to her, "Mom, until we meet again." For we are not a body with a soul; we are a soul with a body. She is undoubtedly at peace now with inexpressible joy in her new heavenly home. She is more alive and well than she was here, for sure! Blessings and prayers to you as you process this transition.

“ We are so sorry we can't be there with you during this sad time. We all loved Aunt Dora dearly, she was a very special lady. She was a wonderful cook and I will always remember her barbecued, grilled deer meat she did years ago when my kids were very young. It was the most delicious meat I ever had to this day! I know we will all miss her very much but we know where she is, praise the Lord. Love and prayers to each one of you. With deepest sympathy, Thelma & family.

“ To the Dora Hibbard Family, We just want to send our condolences to the extended Hibbard family in the passing of Mrs. Hibbard. Our family knew of the Hibbard family for years and if I can recollect in my memory, my parents lived in the same house that the Hibbard family lived in on the Arnold farm in Powell when dad was discharged from the military in the mid-forties. The blessing in Dora's life is, that throughout her many years, she with her family were faithful to the Lord. We can attest that with Dora's love for the Lord, and her faithfulness, "To be absent from the body, she is present with the Lord."
