“ *Debbie, Karen, and Leslie,
I was sorry to read about the passing of your mother. I have fond memories of time spent with all of you. My mother enjoyed her company at senior citizens before moving down South. My thoughts are with you during this sad time.*

“ *What a great lady and nurse. We worked together for over 15 years. She was always very sympathetic and respectful to our patients. She was a joy to work with and earned our patients respect in return. She was firm but compassionate..Ray Perry*
