Heartfelt Sympathy, soo sorry for the loss of your Mom, someone so special and dear to you is now watching over you and smiling down at you and being proud of her children! Soo sad to see them go and worse to watch them suffer.

Donna,

I remember the summers I spent with you and your mom. I remember how she was always so very nice and always seemed to enjoy life. I remember how she let me stay with you while camping and made me feel a part of the family. I have wonderful memories of the time spent with you both. We haven't seen each other for a few years, but you are always in my heart and in my memories, my dear cousin Donna. I would love to hear from you. Please let me know if there is anything I can do to help during this difficult time.
