“ *Dusty, you were such a big factor in helping us through one of the toughest times of our lives. I never got the chance to thank you for that. We'll never forget all the phone calls, jokes, your overall wittiness. Thank you for being just a text away to help no matter how long it had been. You thanked me for helping hold ya down, little did you know you were doing it for us too. ❤️*

“ One of the first people I met when I moved here. Dusty could be having a bad day but, you'd never know because he was always smiling. He had his faults as we all do. He will be missed by many. All we can do now is keep his memory alive. Love ya brother. I'll make sure to catch some fish in our spot

“ So very sorry to hear about the loss of your dear young man!! It is always so hard to deal with our loved ones, but we know it is God's plan. Sometimes we believe that God calls our young loved ones so He can wrap His arms around them to protect them, but it is still not easy to lose them.

God bless, comfort and cherish you with all your precious memories to hold near and dear to your hearts!! Sending love and hugs and prayers!!
