“ I was a member of the Towanda Class of 2002 and remember Dustin very well. He had a great energy and was well liked. Our class was small and we all knew each other. We all became friends during our senior year. Dustin was supportive to us all and he will never be forgotten. My condolences go out to his parents, sister Kacie, and the rest of his family. I hope the memories of him comfort you at this time. Thoughts and prayers going your way.
