

Earl E. Chapman Sr.

June 11, 1942 - October 16, 2024

Earl E. Chapman Sr. 82, of Ulster, Pa, passed away peacefully on October 16, 2024 following a brief illness. Born in June of 1942, he was the last living child of the late Manley and Thelma Hartford Chapman. He was predeceased by his wife of 63 years, Lucille M. Johnson Chapman, a daughter Joanne Chapman Bidlack, a grandson Drew Chapman, his sisters, Vivian Carr and Norma Nagle, his brothers, Stan, David, Searle and Duane Chapman. Earl started working at a very early age and did everything from driving tractor trailer, working on machinery, drilling wells, and working on the gas pipelines all over the United States, and even going to Paris France for trainings. During the pipeline work, Lucille went along with their travel trailer and they enjoyed the camping. Earl loved attending auctions anytime, anyplace. In his later years he loved his gardens. He also became a canine owner having Ginger and Smokey by his side at all times. Those 2 dogs were his buddies!! They made dad smile!

Earl was a United States Navy Veteran and a member of The International Union of Equipment Operators, and in July of this year, he received his "60 years of service" plaque and letter of recognition. Earl always stayed busy. He was a man of great work ethic and would help anyone, anytime. You can ask Barry!

Earl is survived by his children, Cindy (Scott) Drew, Earl Jr. (Renay) Chapman, Susan Shuler (dads' caretaker) and Tandy Myers, Tracey (Paula) Chapman, several grandchildren and great-grandchildren, many nieces, and

nephews.

Earl also leaves behind his great long-time friend, Barry (Connie) Blair. Earl and Barry could laugh and tell each other anything!! Always a phone call away from each other!! John & Sherry Kipp were also friends of Lucille and Earl for many, many years!!

In honor of Earl's wishes, there will be no services and arrangements for burial will be made by Maryott-Bowen Funeral Home, Towanda PA, and will be private for the immediate family. Earl will be laid to rest next to Lucille in the Hillcrest Cemetery, New Albany, Pa. We love you dad!! We will take it from here!
