

## Earlene Thelma "Renie" Burdick

August 17, 1945 - March 11, 2026

"I have fought the good fight, I have finished the race, I have kept the faith".  
— 2 Timothy 4-7

Earlene Thelma (Renie) Burdick, 80, passed away peacefully on March 11, 2026 surrounded by her beloved husband, John, children and grandchildren at her side after an extended illness.

Renie, as she was affectionately known, was a shining light in the lives of all who had the privilege of knowing her. A life-long Waverly resident, she was born on August 17, 1945 in Waverly, NY. Renie is preceded in death by her parents, Earl and Thelma (Dixson) Keene and sisters, Joyce (Bill) McMahon and Joann (Jerry) Ryder.

A strong and empathetic woman, she worked at the Guthrie Clinic providing medical office support to thousands of local patients and medical staff. After 27 years of service, she retired, yet continued to maintain close relationships with her former colleagues and patients. Renie lived with strong values, a solid work ethic, and was well liked by everyone, mostly due to her positive energy. She had incredible patience, and always made time to help others. She would say, "it all comes back to us"! Renie regularly donated the Wounded Warriors program and The Covenant House.

This wonderful woman is survived and dearly missed by her husband, John Burdick of 31 years; her three children with first husband Duane Tubbs of Chemung; two daughters, Lori (Ross) Tubbs Sanders of Bessemer, Alabama, Lisa (Brian) Tubbs Barrett of Horseheads; one son, Rusty (Kathy) Tubbs of

Elmira; five grandchildren, Hannah, MacKenzie, Reilly (Chase), Luke and Samuel; two great grandchildren, Everleigh and Eleanor, step children David and Jennifer, numerous nieces, nephews, and many dear friends and neighbors who will sadly miss her.

Those who knew Renie will remember her for her infectious smile, overwhelming kindness, as well as her unwavering commitment to spreading love to everyone she encountered. She had a rare gift for making others smile and laugh, leaving a lasting impact on all who crossed her path.

After her children were raised, she met the love of her life, John Burdick, who cared and loved her until her calling with our Lord. They were attracted by a mutual love of dancing to rock and roll music. John often referred Renie as "The Lady in Red". Gardening, travel, shuffleboard, playing games especially during all holidays with family and friends became small joys for Renie.

Although Renie's physical presence may no longer grace our lives, her spirit will continue to inspire and uplift us. May her memory be a blessing, and may we carry forth her legacy of caring, love and compassion in all of our endeavors. May her light forever shine brightly in our hearts.

The family would like to thank the Guthrie 2-ICU Staff. The family requests donations offered to Guthrie Hospice on the Guthrie Giving Page in the name of Earlene Burdick. See [www.guthrie.org](http://www.guthrie.org)
