“ Our thoughts & prayers are with you. May God bless & sustain you & grant you strength, peace, love, hope, courage, serenity, grace & a strong faith!! One "Glorious Day" in God's timing we shall all join on that "Golden Shore" where Edna has been reunited with all her family members gone before her, what a "Reunion"!! Edna will certainly be missed, but we know that she has a new body now & free of pain & suffering. She is your "Guardian Angel " watching over you!! The spirit is eternal & her spirit will be with you in every bright, shining star & in the clouds & the sun & the moon & in every beautiful, colorful rainbow & in all that you say & do. Just look up as her spirit is always with you!! Matthew 10:30 says that every hair on our heads are numbered & Ecclesiastes 3 says that there is a time & a place & a reason & a season for everything under the Heavens & God is in control. The verse also says that there is a time to be born & a time to die & we can be sure that our names are written in God's book & He is in control.
