Edward attended Indiana University of Pennsylvania where he lettered in golf, football, and wrestling while obtaining his baccalaureate degree in Business Education and Accounting. He will well be remembered for starting the Wrestling Program in Towanda. He was wrestling, golf, football, and track coach. After his retirement from the public school system, he became principal of St. Agnes School. He was a member of the Lions Club and served as club treasurer for years. His dedication and influence is felt throughout the community.

Edward enjoyed gardening, hunting, golf and, of course, Penn State Football and Penn State Wrestling, so much so that a miniature Nittany Lion shrine graces the front yard.

Marie, brother John, and sister Mildred. He is survived by his wife of 63 years, Barbara Peake Branish, son Edward "Gus" II, daughter Ann (Denis) Lamontagne, daughter Jennifer, brother Ronald (Linda) Branish of Denver, CO. grandchildren Jared (Hannah) Chaffee, Tara Chaffee, and Stefanie (Michael) Smith, great granddaughter, Esme and arriving soon great granddaughter River, as well as numerous aunts, uncles, nieces, nephews, and cousins.

A Mass of Christian burial will be held at Saints Peter & Paul Catholic Church, Third Street, Towanda, PA at 11 am Wednesday June 29th. There will be no viewing hours as per his wishes, but a gathering of friends' family will be held afterwards in Grotto Hall at the Church. He will be buried in Saints Peter & Paul Parrish Cemetery, James Street, Towanda.

If so wish, in lieu of flowers, donations can be made in his name to St. Agnes School, 102 Third Street, Towanda PA 18848 or to the Monroeton Public Library, P.O. Box 145, Monroeton, PA. 18832.

“ To the Branish Family,
Although I knew this day would some day arrive, I am very saddened by the passing of Ed Branish. My son Tommy had him as a golf coach. When I asked Tom if he was a good coach, he answered without hesitation, “Dad, he’s a good man!” You don’t get a better compliment than that. The boys on his golf team loved him and respected him. He certainly left this world better than he found it. Rest In Peace Ed Branish.... You’ve earned it.

“ Dear Mr. Branish, you had a gift where you could make each of us as individuals feel like the #1 priority you needed to help out. Between this gift, and the tootsie pops you walked around St. Agnes delivering to classrooms, I knew that I was growing up in a place where school felt like family, and I would always be taken care of. Though I moved away several years ago, you made a large impression on my life, and I never forgot how lucky I was to have met you. I hope you knew how much we loved you when I wrote Christmas letters each year. Now, when I am stuck in life and looking for guidance, I will be grateful to know you've joined my guardian angel line-up, right next to my own Grandpa whom I lost several years ago. Fear not, this only means you'll hear more from me than ever! Mrs. Branish, you were very kind to share Mr. Branish when he was supposed to be retiring and instead came to St. Agnes... please know we Barton kids loved and appreciated very much what you and Mr. Branish did for our lives. I will pray for your loss and hope that your family finds peace in knowing he lived a full and good life. ❤️❤️

“ I shared this on social media and prayers to family and friends.
Loved you Coach!

One of the greatest men I every knew, Ed Branish, My High School Wrestling Coach passed away recently at 92. Had a nice talk with him couple months ago reflecting on the past. Not only was he a great coach, he was a man who everyone respected and looked up too. He started the wrestling program at Towanda and also coached football, track and golf. He became a Principal at both the middle and High School and finished his career as Principal at St. Agnes. Ed influenced me greatly to be a coach and teacher. When I graduated from Penn State he asked me to start a middle school program at his Jr High. Between there and Coaching wrestling at Sayre I started my coaching career. Ed lettered in golf, football and wrestling at Indiana University of Pennsylvania and his masters and Doctoral degree at Penn State. Ed was a tough no nonsense coach that always believed in hard work and doing things the right way. I remember him playing tackle football with us and yes, no pads and he would run us over. He was a big tough man and always had your respect and attention. Wrestling for him was demanding and tough but we had fun and respected his work ethic to get better. It was not easy and he always told us that you have to work hard to achieve not only in sport but in life. Coach Branish made us all better people. God bless you coach and know that you made me and others better prepared for life's journeys.

It was always an honor to have former educators join us at class reunions. Ed came to several reunions for the class of 1969 and always had an anecdote or two or a funny story to tell. What a memory he had and what a legacy he left to all of us who had him as a teacher, club sponsor, or coach.
